ALLOWED CLAIMS with AMENDMENTS

Honorable Commissioner of Patents and Trademarks Washington, D.C. 20231

In response to the Office Action Summary mailed December 11, 2005, please accept the attached amended claims. I have decided to accept the Examiners suggested claims allowance, however, I find it extremely difficult to keep the previous numerical listing of claims. Therefore, I have re-numbered the claims and I have designated their proper status using status identifiers. In further keeping with the Examiners suggestion, these claims are those listed in the "Restriction Group. I" invention. However, to fully clarify a few of the claims, I had to make a few slight changes, which are underlined. I will also file a Divisional Application using the other claims the Examiner has designated as "Restriction Group II. If there are any question, please feel free to contact me.

Sincerely yours,

MORRIS E. LEWIS
